

- ▶ **Temperature safety**
- ▶ **40% less fuel and less CO2**
40% less cost
- ▶ **Cool Slide instead of rear door**
(Load compartment closed off via platform of tail lift, Cool Slide inside: ATP/FRC-certified)

Cool Slide® - an effective cold restraint system

Loading
Cool Slide® is folded up to the ceiling and does not interfere with loading.
The wall can be moved and positioned in any position.

Unloading
One element can be slid

The loading space is reduced step by step after each unloading.
Only the loaded zone is cooled, this saves up to 40 % energy.
Empties are positioned behind the Cool Slide®.

Entwicklung der Temperatur bei Türöffnungsdauer 8 Min

- With air wall
- Without any restraint system
- With cold curtain (PVC)
- With **CoolSlide®** by **Kiesling**

Cool Slide instead of rear doors - ATP-FRC certified

- ▶ Save time without rear doors!
On tours with many unloading points, unloading is much faster!

Cool Slide® seals the loading space and guarantees temperature safety.

From a body length of 6m with ATP/FRC certification available.

- ▶ **Variable partition wall for all multi-temperature transports**
- ▶ **Simple and easy handling**
- ▶ **Wear resistant! Food safe!**

Cool Slide® - Dividing wall for Multi-Temp-Transportation

- ▶ **Transportation in several loading spaces in a row:**

Digital fans or cooling units with several evaporators regulate the individual temperature ranges in several chambers. The combination of several Cool Slide® walls is also possible!

- ▶ **Cool Slide® & Cool Flap:**

Flexibility for longitudinal loading spaces:

1/3 and 2/3 dividing walls Cool Slide® & Cool Flap®: To divide longitudinal chambers. Goods are transported constantly cooled and safe until the last customer!

Both are easy to handle and wear-resistant!

Empties can be placed behind the Cool Slide®

- ▶ **Cool Slide® is easy to retrofit**

Cool Slide® - the original - can be integrated into existing systems and retrofitted into bodies of all makes at any time.

You can find our range of products in the online shop at www.kiesling.de
